# CHARGING PARTY'S UNOPPOSED REQUEST FOR ONE WEEK EXTENSION OF TIME TO FILE EXCEPTIONS AND BRIEF

Charging Party, Cement Masons Local 1, International Union of Bricklayers and Allied Craft Workers, AFL-CIO ("BAC Local 1") hereby requests a one week extension of time to file Exceptions and Brief in Support in the above matter for the following reasons:

- The current due date for exceptions to the ALJ's Decision in this matter is July 8,
   One request for extension has previously been granted.
- 2. The undersigned counsel has had sole responsibility for this case throughout. Yesterday, July 6, 2009, one of the law firm's associates unexpectedly resigned and gave notice that she will be leaving in less than two weeks. This leaves only five attorneys actively working (two of whom are on vacation), and the undersigned counsel is required to immediately assume a large part of the resigning associates' caseload. This includes several matters with deadlines this week, including a Motion due today at the Michigan Public Service Commission (MPSC) and direct

1

examination testimony in another MPSC matter on Thursday, July 9.

3. Accordingly, counsel requires a one week extension in order to have sufficient time

to adequately prepare, finalize and file Exceptions and a Brief in Support in this matter.

4. Counsel has contacted Respondent's attorney Dennis Devaney, and Attorney for the

General Counsel Richard Czubaj seeking concurrence and each has advised today that he does not

object to this request.

WHEREFORE, BAC Local 1 respectfully requests a one week extension of time from July

8 until July 15, 2009 in which to file exceptions and brief in support in this matter.

Respectfully Submitted,

By: /s/ John R. Canzano
